ORDINANCE NO.2017- 32

**BE IT ORDAINED BY THE QUORUM COURT
OF THE COUNTY OF WASHINGTON,
STATE OF ARKANSAS, AN ORDINANCE
TO BE ENTITLED:**

**AN ORDINANCE CREATING THE WASHINGTON
COUNTY, ARKANSAS HEALTH FACILITIES BOARD
PURSUANT TO THE PROVISIONS OF TITLE 14,
CHAPTER 137 OF THE ARKANSAS CODE OF 1987
ANNOTATED; PRESCRIBING OTHER MATTERS
RELATING THERETO; AND, DECLARING AN
EMERGENCY.**

WHEREAS, the Quorum Court of Washington County, Arkansas (the "County"), pursuant to the provisions of Title 14, Chapter 137 of the Arkansas Code of 1987 Annotated (the "Act"), is authorized to establish a public facilities board for the purposes set forth in the Act, which include assisting in the financing and refinancing of health care facilities and other facilities related to health care within the County; and

WHEREAS, Washington Regional Medical System ("WRMS"), a non-profit corporation (which name when used herein refers to WRMS or any wholly-owned affiliate, subsidiary (including particularly, without limitation, Washington Regional Medical Center and Washington Regional Medical Services), or successor thereto) organized and existing under the laws of the State of Arkansas, operates inpatient and outpatient health care facilities and related ancillary facilities (collectively, the "Medical Facilities") located in the County; and

WHEREAS, WRMS provides general medical and surgical acute care hospital services, outpatient medical services and related ancillary health care services to the citizens and residents of the County; and

WHEREAS, WRMS has requested that assistance be provided by the County for the financing of the acquisition, construction, equipping, and furnishing of certain lands, facilities and improvements located in the City of Fayetteville, Washington County, Arkansas to be utilized by WRMS to house health care administrative, business office and population health and care management operations that benefit and promote the delivery of health care services offered by WRMS to the residents of the County (the "2017 Bond Project"); and

WHEREAS, the Quorum Court has determined that it would be in the best interest of the County to establish a public facilities board to provide the assistance requested by WRMS for the financing of the 2017 Bond Project and the financing and refinancing of Subsequent Projects (hereinafter defined);

NOW, THEREFORE, BE IT ORDAINED BY THE QUORUM COURT OF WASHINGTON COUNTY, ARKANSAS THAT:

ARTICLE 1. Findings. The Quorum Court of the County hereby finds and determines:

(a) The 2017 Bond Project will assist in the efficient operations of the Medical Facilities and the 2017 Bond Project is plainly in the interest of the County and its inhabitants. Further, proper planning dictates that provision should be made for financing any additional facilities that may be required in the future in order that WRMS satisfy the increasing health care needs of the inhabitants of the County and the State of Arkansas ("Subsequent Projects");

(b) Financing of the 2017 Bond Project and Subsequent Projects are and will be necessary for accomplishing the 2017 Bond Project and Subsequent Projects and will make available efficient and quality health care facilities and services to the public, thereby benefiting the public in general and the inhabitants of the County in particular;

(c) The County is authorized by the Act to provide financing of health care facilities and other authorized facilities through the creation of a public facilities board and the issuance of revenue bonds by such a public facilities board; and

(d) It is in the best interests of the County and its inhabitants that there be created a public facilities board under the Act and that the authority of the board be limited to accomplishing, financing, refinancing, contracting concerning, and otherwise dealing with health care facilities and other facilities to be owned or operated by WRMS (including its affiliates, subsidiaries, and successors).

ARTICLE 2. Creation of Board. In accordance with and pursuant to the authority conferred by the provisions of the Act, there is hereby created and established a public facilities board (hereinafter referred to as the "Board") with authority as hereinafter provided to accomplish, finance, refinance, contract concerning, and otherwise dispose of and deal with "health care facilities" (as defined in the Act), "emergency medical health care facilities" (as defined in the Act), and "other capital improvement facilities" (as defined in the Act) pertaining to health care now or hereafter owned or operated by WRMS.

ARTICLE 3. Name of Board. The name of the Board shall be the "Washington County, Arkansas Health Facilities Board."

ARTICLE 4. Members of Board; Term of Office. The Board shall consist of five persons. The initial members shall, as provided in the Act, be appointed by the County Judge to serve for terms of one, two, three, four, and five years, respectively. Successor members shall be selected as provided in the Act. As soon as practicable after the enactment of this Ordinance, each member of the Board shall qualify by taking and filing with the County Clerk the oath of office as prescribed by the Act.

ARTICLE 5. Powers. The Board is empowered, from time to time, to own, acquire, construct, reconstruct, extend, equip, improve, sell, lease, contract concerning, or otherwise deal in or dispose of health care facilities, emergency medical health care facilities, and other capital improvement facilities pertaining to health care or to lend money to WRMS for the purpose of financing or refinancing the construction, acquisition and equipment of such facilities as shall be determined by the Board to be necessary to effect the purposes of this Ordinance to provide adequate facilities for health care within the County. The Board shall have all of the powers provided for in the Act, subject to the limitations of this Ordinance, and shall carry out its duties in accordance with the Act.

ARTICLE 6. Issuance of Bonds. (a) The Board is authorized to issue revenue bonds from time to time as permitted by the Act and to use the proceeds, either alone or together with other available funds and revenues, to accomplish the purposes for which the Board is created as the same relate to the providing of adequate facilities for health care. Such revenue bonds shall be obligations only of the Board and shall not constitute an indebtedness for which the faith and credit of the County or any of its revenues are pledged, and the principal and interest on the bonds shall be payable from and secured by a pledge of revenues derived from the facilities financed and refinanced, in whole or in part, from bond proceeds, and as authorized by and in accordance with the provisions of the Act, together with such other collateral as may properly be pledged.

(b) The issuance of revenue bonds (the "2017 Bonds") to finance the 2017 Bond Project is hereby approved. It is anticipated that the 2017 Bonds will have a principal amount not in excess of \$7,000,000. The Quorum Court of the County understands that the 2017 Bonds issued by the Board in 2017 will be treated as having been issued by the County for the purpose of determining whether and to what extent any bonds issued by the County during calendar year 2017 may be designated as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

(c) Each bond issue to finance Subsequent Projects must be approved by the Quorum Court of the County prior to the issuance thereof.

(d) The issuance by the Board of refunding bonds as contemplated by the Act shall not require Quorum Court approval.

ARTICLE 7. Organization; Reports. The Board shall have all of the powers provided in the Act, subject to the provisions of this Ordinance, and shall carry out its duties in accordance with the Act, including specifically, without limitation, the filing of the annual report required by Ark. Code. Ann. §14-137-123. The Board shall take all appropriate action necessary to comply with the Constitution and laws of the United States of America and of the State of Arkansas.

ARTICLE 8. Severability. If any provision of this Ordinance shall for any reason be held illegal or invalid, the invalidity of such provision shall not effect the validity of the remaining provisions of this Ordinance.

ARTICLE 9. General Repeal. All Ordinances of the Quorum Court of the County, or parts thereof, in conflict herewith are hereby repealed to the extent of such conflict.

ARTICLE 10. Emergency. It is hereby found and determined that there is an immediate and urgent need for the 2017 Bond Project and the financing thereof, in order to meet the needs of the County's inhabitants for health care facilities and services essential for their health and welfare, that the creation of the Board and the exercise of the duties and powers provided in this Ordinance are necessary for the accomplishment of these public purposes and to the preservation of the public peace, health and safety, and that the terms of the financing of the 2017 Bond Project are subject to interest rates and economic conditions which cannot be predicted. Therefore, an emergency is declared to exist and this Ordinance shall be in full force and effect from and after its passage.
