

Waste Reduction/Recycling and Energy Grants

Boston Mountain Solid Waste District's Mini-grant

Deadline: November 2020

<https://www.bostonmountain.org/grants>

This grant is available to schools, civic organizations, and nonprofits addressing waste reduction and diversion, so it is a great opportunity for purchasing recycling receptacles, compost bins/materials, educational materials and other items. Grants are available for up to \$500. Applying organizations must reside in Washington or Madison County. Please email recycle@bmswd.com for more information.

ClimateChangeLIVE Grants for School Projects

Deadline: TBD

<https://www.plt.org/apply-for-greenworks-environmental-education-grant>

Project Learning Tree offers GreenWorks! grants up to \$1,000 to schools and youth organizations for environmental service-learning projects that link classroom learning to the real world. Students implement an action project they help design to green their school or to improve an aspect of their neighborhood's environment. To be eligible, applicants must have attended a PLT workshop, either in-person or online, that provides training, lesson plans, and other resources to help integrate these projects and environmental education into your curriculum or youth programs.

Coca-Cola / Keep America Beautiful Recycling Bin Grant

Deadline: December 31, 2020

<https://kab.org/grants/coca-cola/>

The Coca-Cola / Keep America Beautiful Recycling Bin Grant Program supports local community recycling initiatives by providing selected grant recipients with receptacles for the collection of beverage container recyclables in public settings. Grant recipients will receive actual recycling bins instead of funding. For the Public Space bin grant program, the grant program is open to non-profit organizations, government agencies, schools and religious organizations.

Deadline: Ongoing

<http://www.fundingfactory.com/>

FundingFactory turns your used toner and inkjet cartridges into cash to fund your organization. With FundingFactory's 100% free fundraising program and the help of your community, your organization will earn much-needed funds in no time.

KAB Youth Poster Contest

Deadline: February 29, 2020

<http://keeparkansasbeautiful.com/for-kids/youth-poster-contest/>

Keep America Beautiful (KAB) coordinates a Youth Poster Contest in conjunction with the Great American Cleanup in Arkansas to involve elementary school students, increase awareness of the Great American Cleanup in Arkansas, and educate the public about the importance of a clean and beautiful community to economic development, civic pride and environmental quality of life. Prizes will be awarded in two divisions: Grades K - 2 and Grades 3 - 5. KAB is providing gift cards for the top 3 posters in each division. One poster per class may be submitted for statewide judging. 4-H clubs, scout groups

and home-schooled students are also encouraged to enter. Winning posters and honorable mentions will be displayed May 12-30 in Thea Foundation's art gallery on Main Street in North Little Rock. Posters will also be posted to KAB's Facebook page.

National Green Cup Challenge

Deadline: Ongoing

<https://www.greenschoolsalliance.org/tools/challenges/greencup>

Created by schools for schools, the Green Cup Challenge™ is a month long, inter-school competition that empowers students and builds community, while raising awareness about climate change and the importance of resource conservation.

Office Depot Recycling Rules

Deadline: Ongoing

<http://www.myschoolrecycles.com/home.aspx>

Office Depot program to promote recycling of ink and toner cartridges in schools. K through 12 schools that participate will receive a gift card from Office Depot for the value amount of the recycled cartridges. Any school can participate for free, and boxes are provided.

Target Field Trip Grants

Deadline: TBD

<https://corporate.target.com/corporate-responsibility/grants/field-trip-grants>

Good news—registration's open for the Target Field Trip Grants program. We'll be awarding 5,000 grants of \$700 each to schools for the upcoming school year. Teachers can use a grant to fund a school field trip that connects their curriculum to out-of-school experiences. It's a great way to engage and inspire students, and could be used to visit local recycling and landfill facilities.

Zayed Future Energy Prize

Deadline: June 11, 2020

<http://www.zayedfutureenergyprize.com>

The Zayed Future Energy Prize represents the vision of the Late Founding Father and President of the United Arab Emirates, Sheikh Zayed bin Sultan al Nahyan, who championed environmental stewardship. This annual award celebrates achievements that reflect impact, innovation, long-term vision and leadership in renewable energy and sustainability. We invite you to be a part of this vision and our commitment to finding solutions that will meet the challenges of climate change, energy security and the environment.
