WASHINGTON COUNTY BENEFITS

LIVE WELL WORK WELL

Here at Washington County we strive to provide our employees with the best benefit options that are out there. Our goal is to provide our staff with a work life balance that is healthy.

SOME HIGHLIGHTS OF OUR PROGRAM

CODE RED SERVICES

Washington County uses CodeRed to deliver internal employee notifications/communications. To enroll via desktop computer, please go to https://public.coderedweb.com/CGE/AD4C9CDE2865 or scan the QR code to visit the enrollment webpage.

CREDIT UNIONS MEMBERSHIPS

Washington County has partnered with local credit unions so that every county employee has the option to participate in a select membership with the following credit unions:
        *Unify Credit Union
        *UARK
        *Telco

CLINIC PARTNERSHIPS

Washington County has partnered with MANA, Washington Regional, and Karas Health clinics to provide our employees with $0 copay primary care visits. *This does not include urgent care, specialist, and ER visits.

Need help navigating benefits? Please contact your dedicated JTS account team at washingtonco@jtsfs.com.

APERS RETIREMENT

Washington County is one of many local government entities in the state that participate in the state retirement program. the county contributes 15.32% for each employee based on their gross wages earned. *Employees are vested after 5 years of eligible participation.

EMPLOYEE ASSISTANCE

The EAP program is a free, confidential, problem solving resource provided by your employer to help in areas including: marital, family or relationship problems, stress, depression, grief, addiction concerns, workplace stress or conflict, parenting, childcare or eldercare, or any other concern that affects your emotional well-being.

UNIVERSITY PARTNERSHIPS

We are happy to announce that we offer our employees a unique opportunity to not only build their careers, but to also further their education while working for Washington County through our online University partnerships. *More information on these partnerships can be found on the University Partners page.
