Washington County Juvenile Court is requesting to rename our current Community Outreach Coordinator position, grade 13 to Juvenile Officer, grade 15.

Washington County Juvenile Court has been working hard and continues to work towards improving our diversion programs for the juveniles and families we serve. One obstacle that we have encountered over the years has been proper supervision for the Juveniles that are placed in the diversion programs.

Although, Juvenile court refers many juveniles throughout the year to the HOFNOD program, CLFC, AIKIDO, and Summer Youth Academy, the current Intake Officers that supervise these clients currently have an excessive case load and need some help.

We want to be able to continue to offer Diversions to as many Juveniles as possible and reduce the option of placing them in Detention by providing as much supervision as possible. To be effective we want to provide Intake Officers the assistance of another Juvenile Officer to supervise all Diversion cases.
