

REQUEST FOR QUALIFICATIONS (RFQ)
CONTRACT SUPERVISOR FOR WASHINGTON COUNTY
ROAD DEPARTMENT BRIDGE CREW

The Washington County Judge's Office has decided to hire a Bridge Supervisor on a contract basis for the completion of the **STONEWALL BRIDGE** near Prairie Grove, AR, and the retrofit of the **HARVEY DOWELL BRIDGE** east of Fayetteville, AR.

Both bridges have Engineer plans for repairs and retrofit completion to the standards of the original Engineer plans during the construction of both bridges. Specifically, supervise the completion of Stonewall Bridge from its current state and supervise remediation of Harvey Dowell Bridge.

This position is anticipated to last for not more than eight (8) months from the assignment of this contract.

JOB DESCRIPTION

Job Summary:

The Bridge Supervisor will work in a heavy civil highway/bridge construction environment, effectively managing all activities on the project to include cost control, meeting or exceeding project specifications, jobsite safety, direction and coordination of construction crews and subcontractors; while assuring quality of production, client satisfaction and completion of projects on schedule.

Job Description:

Manage and schedule bridge workers and subcontractors

Assist engineers with quantities and productions

Manage all the construction activities of the project in accordance with contract specifications and Engineer's plans in full compliance with the applicable safety and environmental regulations

Execute construction activities in compliance with the applicable schedule and budget

Review project performance on a continuing basis and recommend corrective actions as required

Implement the County policies and procedures as required with assistance from County Staff

Assist with On-the-job Training for need bridge related issues

Disclaimer
